Objectives of the organization - it's Vision, Mission and Goals	<p><b>Vision</b> -To excel in comprehensive eye care, education and research.</p> <p><b>Mission</b> - To make available expert up-to-date ophthalmic care to one and all.</p> <p><b>Values</b> - To deliver quality, ethical, medical and surgical eye care services.</p>
PROJECT SUMMARY	
Project title (s)	Free surgeries for underprivileged patients with cataract
Villages in Uttar Pradesh	Villages of Bhagwanpur district, Roorkee, Uttarakhand
Project duration	FY 2018-19
Total Budget for Project Period	Rs. 5,10,400/-
Current status of the project	Completed

## **THE INSTITUTION**

In 1982, Ishwar Charitable Trust was established with the paltry amount left upon the demise of Dr. Sushil Choudhry's mother. The Ishwar Charitable Trust was set up with the aim to provide affordable, preventable, curative and quality ophthalmic care to all sections of the community particularly the rural needy. The Trust, understanding the limitations of the rural poor, an effective and unique Rural Outreach Programme was designed in 1993 for providing modern ophthalmic services at the very doorstep of rural population covering the states of Haryana, Rajasthan, Uttar Pradesh and the slum areas of Delhi. Operating on a hub and spoke model – screening and collecting patients requiring surgery from remote Rural Peripheral Centers (RPC's) and urban slums, bringing them to the base hospital (in NOIDA and Greater NOIDA) and providing them high quality diagnostic, surgical and post operative care at no charge.

## **ICARE EYE HSOPIATL AND WONDER FIBROMATS LIMITED**

ICARE with the support of Wonder Fibromats has impacted the lives of many in FY 2018-2019 and to carry on the mission Wonder Fibromats Ltd has very kindly approved project for holding four more eye screening camps in the FY 2019-20. To provide ophthalmic services to underprivileged sections of our society living in Bhagwanpur district, Roorkee, Uttarakhand.

Publicity for these camps was done through pamphlets, banners by word of mouth, WONDER FIBROMATS LTD. staffs and other resources. Ambulances with teams of ophthalmologists and paramedical staff visited the camp sites on prefixed dates. People attending the camps were examined for refractive errors, cataract surgery were also examined for diabetes and hypertension which are very prevalent in the aged residing in the rural areas. Those requiring spectacles were refracted and spectacles dispensed to them free of cost kind courtesy to WONDER FIBROMATS LIMITED.

## **PROCEDURES FOLLOWED FOR PATIENTS CARE**

Patients indentified for surgery were brought ICARE's ambulance and buses from the camp sites of Roorkee to the base hospital at Noida. A pre-operative detailed examination and investigation were carried out. Surgeries were performed the next day; some surgeries were postponed due to the patients being detected with other associated problems requiring medication and treatment. Surgeries were performed when they were found fit for surgery. On recovery from surgery they were transported back home in our ambulance bus, happy and satisfied that they have regained their eyesight and can once again be helpful to their families in the day to day chores of life and become an active member of their community.

## PROJECT RESULTS

The figures listed below reflect the projected numbers and those finally achieved in 4 eye camps supported by Wonder Fibromats Limited and held on specified dates.

## CHALLENGES BEFORE SURGERY

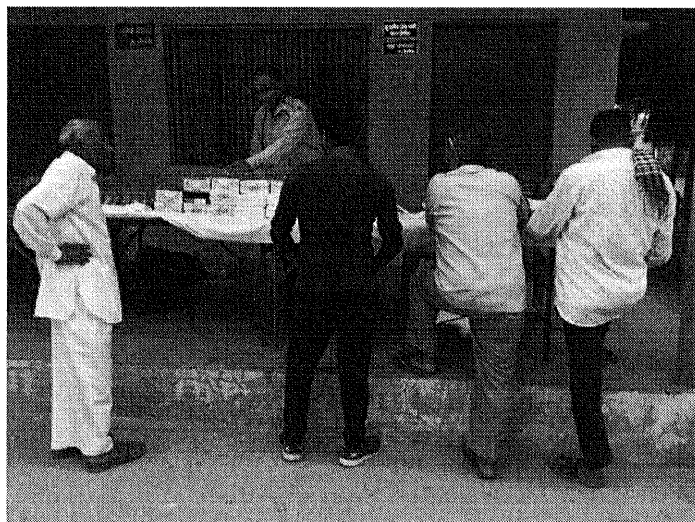

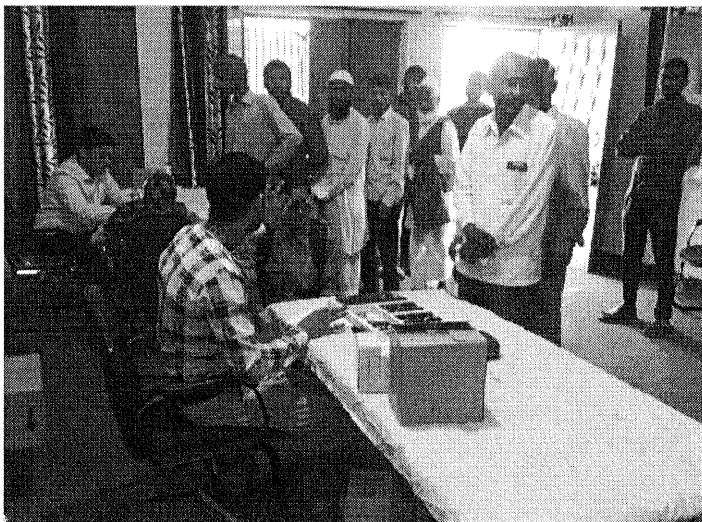

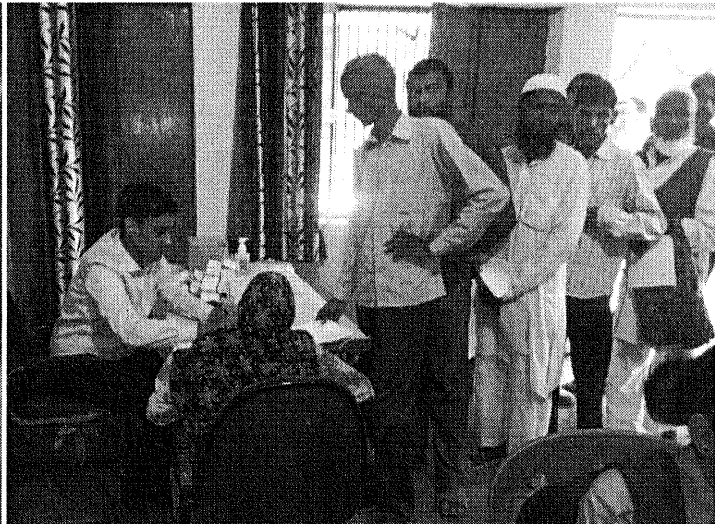

Before going through surgery from ICARE Hospital, most of the beneficiaries were restricted to the boundaries of their respective houses due to age combined with low vision and it was becoming very difficult for them to manage things and spend time. Their dependency on the family was increasing, even for smallest of tasks, which started effecting the relationship too as it gave rise to small disputes inside the family. They were not able to do anything on their own, so one or the another member of the family had to be with them 24\*7 which is not possible in today's fast pace life, especially for people at the bottom of pyramid as all major family members are involved in earning bread for the family and the minors are not mature enough to take care of elderly people. So the partial blind becomes more vulnerable and becomes the root cause for deterioration of one's physical and mental wellness. Due to partial blind moral of person falls to an extent that sometimes people kill their desire to live anymore.

## GROUP PHOTOGRAPH OF OPERATED BENEFICIARIES

### CASE STUDIES

Patient Name: Sarmal S/o Fakkar  
Age: 60  
Gender: Male  
MRD: C060435  
Aadhar No. 462525966122  
Village: Bhagwanpur Roorkee, Uttarakhand  
Operated Eye: Right eye with PHACO + PCIOL  
Operated on: 04.11.2019

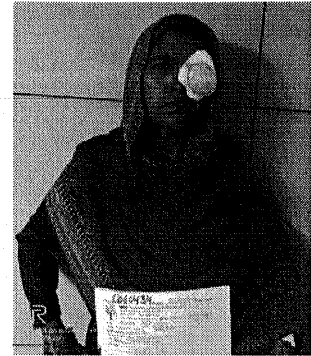

Sarmal an old patient suffering from sight impaired from almost a year, he came to the eye camp supported by Wonder Fibromats Ltd. He belongs from a very poor family, has three sons but nobody leads a good healthy financial status. Elder son is working as labour, second one works in a factory and third one is vegetable seller. Neither of his sons are capable enough to support their old parent's responsibility, hence Sarmal's eye health was neglected from a very long time.

His grandson heard our announcement of free eye checkup camp in his village and without any delay he went to the eye camp to get his eye test. On examination he was diagnosed with mature cataract, the counsellor in the camp counselled him for the free treatment and transportation. Sarmal happily got agreed for the treatment and boarded the ambulance along with rest of other patients. He was brought to the base hospital along with other patients. On reaching the hospital, he was thoroughly checked up with sugar, Blood Pressure and IOL lens power. On 4<sup>th</sup> Nov, 2019 Sarmal was scheduled for Right eye cataract surgery, his entire ophthalmic treatment, medicine, post operative goggles was availed by ICARE with the financial support of Wonder Fibromats Limited. He was happy to get his vision restored and thanked the entire ICARE medical team and Wonder Fibromats Limited for saving his eyesight and giving a new life. He can now perform his daily chores without difficulty and look after himself and his family well.

Patient Name: Anguri Devi W/o Satpal  
Age: 60  
Gender: Female  
MRD: C060434  
Aadhar No. 385834268296  
Village: Bhagwanpur Raipur Roorkee, Uttarakhand  
Operated Eye: Left eye with SICS+PCIOL  
Operated on: 04.11.2019

Anguri Devi is a 60 year's old lady from village, Bhagwanpur Raipur Roorkee, Uttarakhand, she has a big family with three sons and three daughters all married except her youngest son. Her husband works in small piece of land to grow crops for their livelihood. She was having problems with her eye sight for the last few months along with her blood pressure problem, but there was no one who could help her. She used to complain daily about her deteriorating eye sight but her husband neglected due to financial crisis.

One day she was sitting with her friends and she heard the ladies gossiping about the eye camp which was being conducted by ICARE Eye Hospital, Noida in association with Wonder Fibromats Limited. It was a golden opportunity for her as she also had her friend to accompany her for eye check up. At the eye camp she and her friend both were identified having cataract, when they were told about the free treatment by our doctor, a sign of relief was seen on their face.

She was brought to the base hospital for her ophthalmic treatment in ICARE's ambulance. All her pre operative examination was done the same day and on the next day her eye was operated for the removal of cataract. She is very happy now and living life with confidence. She is grateful to Wonder Fibromats Limited and doctors at ICARE for saving her eye sight and giving them an opportunity for leading a meaningful life.

## **FUTURE PLANS FOR THE PROJECT**

We convey our deep appreciation and heartfelt gratitude to WONDER FIBROMATS LIMITED and the staff members who have so very kindly helped us in our cause to render modern ophthalmic services to the needy and elderly rural citizens of our country and alleviate their problems. Though a small number of populations has benefited from the project, yet it had great impact on the lives of the beneficiaries.

With an aim to eradicate curable blindness, ICARE is innovating with efficient and effective models to increase the length and breadth of its work. The model is sustainable and ICARE can reach out to more people with the help of like-minded socially responsible organization. ICARE seeks long term partnership in this regard.

Ref No. 052/NLM/2019-20

15.10.2019

To,  
Shri Yogesh Anand,  
Wonder Fibromats Limited  
45, Ground Floor,  
Okhla Industrial Estate, Phase-III, New Delhi 110020

Dear Yogesh ji,

Noida Lok Manch recognizes and acknowledges with gratitude your long association with us as well as your regular financial support for our Projects.

We are extremely grateful to your organization and to our Volunteer, Ms. Sakshi Anand, for arranging eye check up camp in our Sanskar Kendra School Hoshairpur in collaboration with ICARE on 25<sup>th</sup> and 26<sup>th</sup> September 2019.

The Sanskar Kendra Schools having a student of strength of approximately 250 students and the number of beneficiaries is as under:

School	No of students examined	No of parents examined	No of specs issued	No of operations referred
Hoshairpur Sector 51	240	100	18	22

The Team of Doctors from ICARE were very courteous and qualified. The tests were conducted in a very coordinated manner and the beneficiaries were very satisfied with the check up and hoped that more would be organized in future too. Some parents were of the view that besides being the learning Center of our children the Sanskar Kendra School through its Donors and Well wishers had thought of our vision problems and health care.

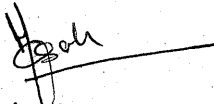

We once again thank your esteemed organization for your continuous support for the benevolent causes through CSR or otherwise for which NLM is striving.

We assure you that our NGO will put its best efforts to come up to the expectations of the needy though your cooperation in future also.

We are attaching a few photographs of the Eye Health Camp for your record.

Thanking you ,

Sincerely yours,

Mahesh Saxena  
General Secretary
